At this meeting, Julie Nassif will share updates to current issues and her vision for the future direction of the Lab. Most importantly, Julie wants to hear **your** thoughts and input on what the Lab is doing well, how it can improve, and any ideas you have to achieve the objectives or suggestions presented. Open discussion is welcome and encouraged. Bring your creativity and think outside the box!

A variety of pizza and refreshments will be served. If you have any questions, please feel free to contact either Chuck or Julie.
